Terror in the Iwaki River

HR16Group01

[redacted]

Hirosaki Minami High School

Motive

We want to learn about the Iwaki River.

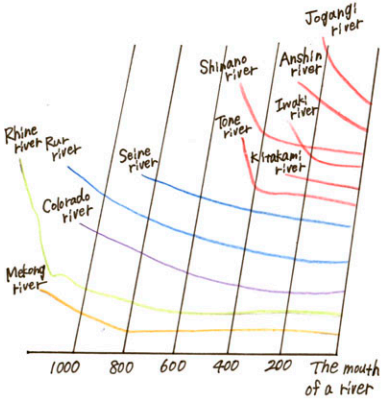
Today, we have to be careful about flooding.

We researched about it on the Internet.

We love clear rivers

Plankton

Compare Japan's Rivers to Rivers Abroad



Distance from the mouth of a river (km)

= Japan
= France
= America
= Switzerland
= China

What Can we do?

☆ We can confirm a hazard map.

☆ We can get some things ready.

What Do we get ready?

- Emergency foods like cans and biscuits
- An escape route
- Preparation prevents panic!
