# WOOD REUSE

~ use for wood ash ~

- Hirosaki Minami High School
- 13HR Group 7
- Member

## PURPOSE

- We should increase the use for ash and limited resources and improve the environment!

## HYPOTHESIS

- Does the composition of wood ash change according to the kind of wood?
- The way to recycle and use for ash change according to difference of materials of wood.

## RESEARCH CONTENTS

- Uses for ash so far :  
pulloutlye · fertilizer ·  
wash clothes  
From now on : food
- AKUMAKI ... local cuisine  
of southern Kyushu.
- MOKKAISOBA  
... local cuisine  
of OKINAWA

Like this we can redevelop towns and prevent depopulation by using wood ash as a special product of Aomori.
