- Temple

HIROSAKI MINAMI HIGH SCHOOL

11-05

I want everyone to know about cypress's characteristics and uses.

What are cypress characteristics? Why does cypress have good smell?

First, I researched about cypress's smell. I made pie chart comparing cypress's smell with Pine's smell.

Oh! I want to know!

Phytoncide
sedonoll

- This makes people relax.

Thu jopsene

- The smell pests don't like.

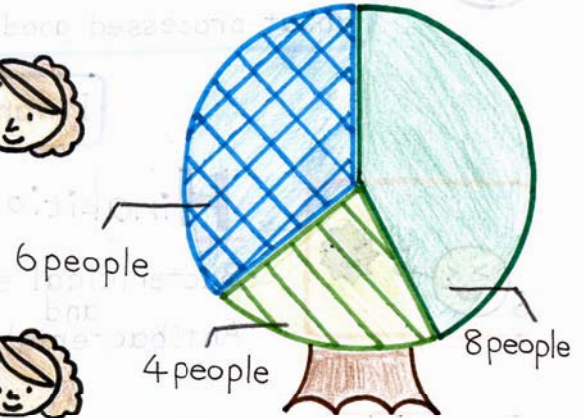

Attention!

Component is suitable for Aroma!

- Good smell
- Not good smell
- Don't recognize different smell
