

crafts made by beech Trees

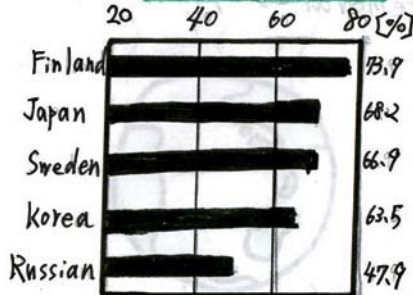

World events.

Forests are reducing in the world.

For example,
Global warming and taking
too much wood.

Therefore,
country should helping
each other
to protect the forest Japan
is joining in, too.

Forest area.

SHIRAKAMI

~ We love shirakami

SO

We must protect it ~

members

73HR-3

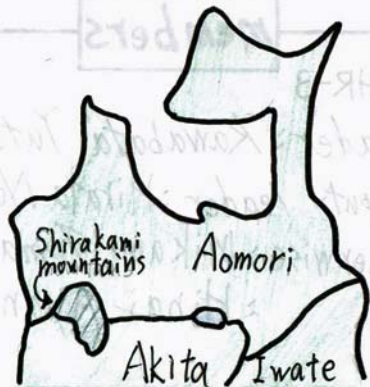

Purpose

Our group thinks about Shirakami mountains preservation and revival.

Shirakami situation

Shirakami mountains has many benefits.

However, environment is beginning to become worse in Shirakami mountains.

Shirakami problems

Shirakami mountain has some problems.

The first problem is that there are less guides.

The second problem is that the number of deer is increasing rapidly.

People's nice activities

People do some activities for protecting natural in Shirakami. The first activities removal of weeds.

The second activity is planting beech's trees.

From now on

We must do what we can do.

For example: Do not use much gasoline and so on.

It is important for the Shirakami mountains!
