Consideration

- Apples have a lot of healthy ingredients
- We learned that apples can be included in various dishes
- Eating more apples prolongs your life !

Our Purpose

- To know what ingredients are in apples
- To introduce special apple dishes to everyone
↓
People in Aomori can live longer!

Ingredients are in apples

Quercetin

- Helps the blood flow smoothly
- Prevents blood vessels from bursting
- Lessens body fat
- Inhibits joint inflammation

Cellulose

- Aids in the peristaltic movement of intestines

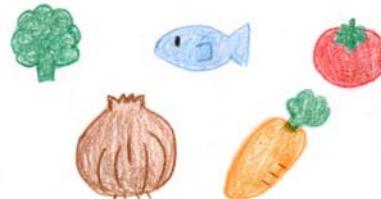

★ What is peristaltic movement?

→ Repeated contractions in the intestines
that moves food

Recipe for Apple Codfish

Ingredients :

- 4 pieces of cod, 80g each
- 1 tsp of salt
- 1 tsp of sugar
- $\frac{1}{2}$ apple with skin, grated
- $\frac{1}{2}$ apple, peeled and diced
- 4 pieces of potatoes
- $\frac{1}{2}$ carrot, minced
- $\frac{1}{2}$ onion, minced
- 2 tbs salad oil
- $\frac{1}{2}$ cup water
- Lemon juice, olive, black pepper, chives

How to cook :

- ① Pour salt and sugar over the cod,
let it sit for 20 minutes.
- ② Stir-fry onions and carrots with
salad oil, then add potatoes
after a few minutes.
- ③ Add the codfish, grated and diced
apples, and water.
Simmer over medium heat for
10 minutes.
- ④ When fully cooked serve the dish
with lemon juice, black pepper, and chives.

⑤ Enjoy !
