piano

cup

How was the Tsugaru cloing made?

In the Edo period, the Lord at that time asked craftsmen and painters to make tsugarunuti to nurture the development of Tsugaru culture and it is said that the adoption of tsugarunuti coating was by Ikeda Genbei.

4. Future tracks

In the past, there were many successors

There's a shortage of sucesors in Japan now.

↳ We want to increase the number of people who want to produce Tsugaru nuti.
