Fukaura Snow Carrot

In Fukaura town, Aomori prefecture agricultural cooperation is growing it.

It tastes like Fruits.

Fruity sweet carrot.

※ Carrots are cooled by falling snow on the soil.

secrete sugar to protect itself.

Owanj Onsen Sprouts

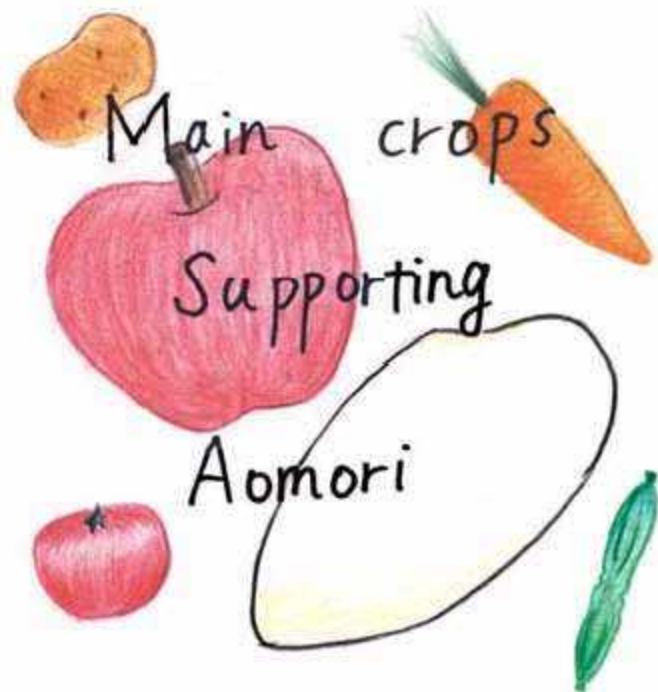

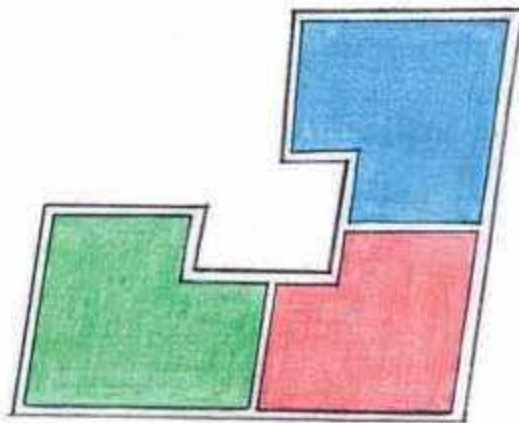

Sprouts include bean sprouts and soba sprouts.

It has a history of about 800 years.

It uses the heat of Owani Onsen.

Thoughts

Many of the special products in Aomori's agriculture are often seen on TV, and I knew that unique production methods and time consuming work are the power that supports Aomori's agriculture.
